Dear Sally,

Because of support from donors like YOU, we can truly make a difference in the lives of our STARS. Your gift is instrumental in helping our participants achieve greater independence. Thank you for helping us to continue to empower individuals reach their full potential and connect with their community. Your gift is making a lasting impact to STARS like Frankie.

After moving to Naples, Frankie joined the Trailblazer Academy, our pioneering community-based day program through scholarship. Frankie isn't the only STAR your gift is impacting, 41% of Trailblazer Academy participants are receiving partial or full scholarships, ensuring that no one is turned away due to an inability to pay. Your gift opens the doors for our STARS to explore and grow in vocational interests, life skill development, community engagement, expressing creativity and finding purpose.

Thank you so much for supporting our STAR participants with your generous gift!

Sincerely,
