Corvettes in Paradise

Dear Corvettes in Paradise members,

Thank you for your generous donation to Venture Cares. Your support has been crucial in helping us fight hunger and provide groceries to local families through our mobile market in Southwest Florida.

Your contribution ensures that fresh, nutritious food reaches those in need, strengthening our community. We are grateful for your dedication and compassion, which serve as an inspiring example of community spirit.

Thank you once again for partnering with us in our mission to tackle hunger one step at a time.

Sincerely,

Brian Fischer  
Venture Cares Director
